

Memorandum of Understanding (Draft)

Between

**Iran Small Industries and Industrial Parks Organization (ISIPO) of
the Islamic Republic Of Iran**

And

**China International Chamber of Commerce for the Private Sector of
the People's Republic of China**

Subject: Corporation on Two World Wide Web Platforms

1. In order to have a more efficient and closer corporations between ISIPO and CICCPS, both organizations develop a website-based platform in order to have a better understanding of each others' needs for investment and trade.
2. Both sides have agreed formation of the website www.iranchinainvestment.com to introduce Iranian investment opportunities to the Chinese interested investors and related funds through a safer and more reliable source.
3. Advantages of this platform are:
 - a. Clearer introduction of investment projects
 - b. Knowing that the projects are of required reliability and legitimacy.
 - c. Presenting the opportunities like feasibility studies, business plans, financial reports and other required information in English or Chinese
 - d. Providing legal consultancy/advisory to the D&D services and selected projects.
4. The website www.iranchinadeal.com will facilitate a safer and more reliable trade platform directly between both Iranian and Chinese companies which has been designed to make a direct connection for Iranian and Chinese companies and suppliers

5. Advantages of this platform are:

- a. Easier & more direct purchase between Iranian and Chinese companies and suppliers
- b. Legal protection through professional contracts
- c. Quality control inspections and reducing loss
- d. Cheaper transportation fees through bigger cargo transfer capacity

Remarks: having the combined purchase requests, this platform will be able to increase the quantity and lower the prices for both Iranian and Chinese buyers under a safer transaction conditions.
